President: Isimeli Bainimara
Secretary/Treasurer: Mosese Waqavonovono
Address: GPO Box 5363, Raiwaqa, Fiji.

"... creating a lifetime of opportunities."

8 December 2007

Australia's Jake Younnan-Wise played a one under 72 to take out the Asia Pacific Mission Hills Open Tournament with a total of 281. Yuki of Japan was second on 284 and Huang of Taiwan was third losing on a count back from Yuki.

The closing event was a display of some of the best golf ever witnessed from the region and a strong comeback from Neelkash on a 75 pulled Fiji back to 14th position from a possible 30th position. Anuresh recovered some lost pride when he was able to go under 80 with a score of 78 on day four in his first ever national tournament.

Neelkash displayed true grit in turning on the first nine holes with one under 35 and was in chase for a better position for Fiji. Targeting to get Fiji into the 10th position he faltered at the 16th with a double bogey attempting a massive drive down the field. He followed up with another two bogies and got Fiji its 14th position.

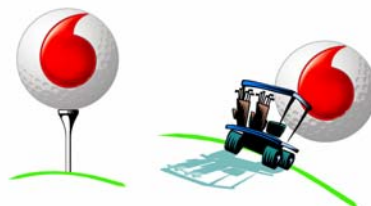

The tour was great for Fiji in that we had the best results ever for a touring national golf team. We now had back home with a clear picture of what to expect in the international competition for 2008. Fiji also stands to win the hosting rights for the APGC Junior competition to be announced in January next year and to be played in 2009.

Neelkash also is in line with being called up to represent the Asia Pacific in the Bonallack Trophy challenge in Spain against the best of Europe.

END,

M Waqavonovono
SECRETARY

The National Golf Association of Fiji (NGAF) is the representative body for the sport of Golf in Fiji. Amongst its duties is the administration of the sport and officiates for review, the rules, regulation and other compliance requirements of the game. The NGAF represents its affiliates; the district golf clubs at the National Level through the FASANOC and the Ministry of Youth, Employment Opportunities and Sports.
